

Forsyth County Sheriff's Office

Ted Paxton, Sheriff

Neighborhood Watch Information

The Sheriff's Office has recently responded to several incidents at the parks around Lake Lanier and in the Greenway parking lots on Bethelview Road and McFarland Parkway where vehicles have been entered into and items stolen.

In most of these instances, there was no "forced entry" into the vehicles, as they were left unlocked. However in several instances the windows were broken in, as items such as laptop computers and purses were left in the open on the front seat or console. You can avoid being a victim by locking your car doors and putting valuables in the trunk outside of view when out using the Parks and Greenway.

When shopping, please be aware of your surroundings. Do not display large amounts of cash or credit cards. If possible please carry a small wallet with your cash and credit cards in your front pants pocket. If you must carry a purse, please carry one as small as possible. If you leave your purse in your buggy while shopping, make sure it is secured and attached to yourself or the buggy.

Be very observant of any suspicious or criminal activity. If you see any suspicious activity please call 911 immediately, or contact the Sheriff's Office non emergency number at 770-781-3087

Respectfully,

Sgt Allan Frampton
