**FROM: Deputy First Class Mike Garrison**

**SUBJECT: Entering Auto Incidents at Sharon Springs Park & SF Middle School**

**DATE: 9/05/09**

On 9/3/09 at approximately 7:30pm the Forsyth County Sheriff's Office responded to several Entering Auto incidents located at both Sharon Springs Park and South Forsyth Middle School. There were a total of 7 vehicles entered (4 at Sharon Springs Park, and 3 at South Forsyth Middle School). All 7 vehicles entered were in the parking lot while various sporting events were taking place. The perpetrators entered each vehicle by breaking a window out after they observed valuables (i.e. purses, wallets, etc.) in plain view.

The Forsyth County Sheriff's Investigations Division is currently investigating these incidents. Investigators were able to recover footage from a surveillance camera located near one of the crime scenes. The footage shows what appears to be three black females in a silver, grey or tan SUV (possibly a later model Chevrolet Suburban) pulling up to the victims' vehicle and committing the crime. The vehicle, its occupants, and the M.O. used match the description given by witnesses in two separate Entering Auto incidents that occurred approximately one month ago at Sharon Springs Park, and the other at Rainbow Ranch trout farm located off of Hwy 20.

To deter from becoming a victim of this type of crime please make sure that you remove any items of value from plain sight and make sure your vehicle is locked. Also please be very observant of any suspicious or criminal activity in and or around any parking lot. If you see any suspicious activity, please call 911 immediately. If anyone has any information regarding any of these incidents please contact me at 678-513-5880 or email me at [mtgarrison@forsythco.com](mailto:mtgarrison@forsythco.com).

Thank you
